18th January 2010

Circular 01/2010

Dear Member

Our first event of the year 2010 is going to be held on **Sunday, 7th February 2010**. This is going to be the Annual General Meeting followed by Sunday Lunch. As previously advised, we are holding our AGM followed by Sunday Lunch with the scope of making this activity a more attractive event for members as well as making the second part of the event attractive to our families and friends.

Programme:

11:30am We meet at Victoria Hotel, Gorg Borg Olivier Str, Sliema

11:45am Start of **Annual General Meeting**. This will be held at the **William Shakespeare Room**

Address by the President;
Review of the year's activities by the General Secretary;
Treasurer's Report;
Election of Electoral Commission;
Election of AROC Committee.

Anyone wishing to stand for committee may send their nomination by **Friday, 29th January 2010** to the attention of the undersigned at the Club's address or on paulcar@live.co.uk

No election will be held if the total number of nominations received does not exceed seven.

For the duration of the AGM, families and friends may have a coffee or drink at the hotel's bar or attend the meeting.

After the AGM, we shall have lunch at **The Copperfields Restaurant**. Price for lunch which is a buffet is EUR20 for adults and EUR10 for children. Price also includes a glass of wine or soft drink as well as parking. **Please confirm by Thursday 4th February 2010 your attendance for lunch by sending a message on 9942 4585.**

Renewal of Membership

The start of a new year resumes my reminder to renew your membership. Please renew as early as possible as. Cheques for EUR23.30 are to be made payable to AROC Malta and sent to the Club's address. Settlement may also be effected during our events.

Alfa Romeo's 100th Anniversary

At this stage we can confirm that the Club will be organising a visit to Milano between Friday 25th June 2010 and Monday 28th June 2010. More details will follow in a separate circular, however we look forward to hearing from you should you be interested to attend. This helps us to get an idea of how many we will be and make it easier to get quotations for hotel prices and air fares. During this event Alfa Romeo will be launching to the world the new Giulietta, the successor to the 147. One will also have the opportunity to witness the unique cars this marque has given to the world over this century.

We look forward to meeting you.
